Bachelor in Information Management (BIM) is a 4 year academic program designed by Tribhuvan University (TU). In today's scenario BIM is one of the highly rated subjects. The demand for BIM students in industry & IT sector is also high. It is a very good subject which is the blend of two major subjects Management & IT. The course is totally composed of 40% management field & 60% IT field. It is also said that it is the blend of BBA and BIT or BCA.

The students of any field scoring 60% can apply for BIM CMAT exam and after successfully passing the CMAT exam conducted TU, the students are qualified to attend the class.
